

We're excited to be partnering to give you a fantastic new build or renovation experience!

Adam & Claire from My Mortgage – providing casual but competent service to make your build or renovation easy, stress-free and fun!

- New build finance – taking the stress out of financing a build, guiding you through the process and being your point of contact
- Managing your progress payments with the bank from start to finish, and providing advice to suit your situation
- Flexible options to make the process simple for you
- We can work with your bank or any of the other multiple options we have available to us
- Renovation loans – we can help top up your existing lending, freeing up equity and giving you flexibility for a major renovation.
- Guide you through the steps so you always know where you're at

Deanna from The Designery Room – Inspired by the impacts of our surroundings, The Designery Room works with clients to create unique and beautiful spaces that contain personality, energy and sophistication.

- Concept design for new builds, renovations, residential and commercial
- Exterior and interior design and colour schemes
- Product and material selections and specifications
- Project management – liaising with builders, architects and suppliers

Our joint offer:

Obtain build or renovation finance with My Mortgage and get a free consultation with Deanna (worth \$110) for your new project.

You'll meet and get to know Deanna, chat about your project and what it is you're looking for.

From here Deanna will develop a scope of work and design plan, which will be provided via email to the client prior to proceeding.
